Dear Mr Marini

Following the triennial audit of your Company's Management Systems, I am pleased to inform you that the ISOQAR Certification Review team has asked me to confirm that your certificate is now valid until 21 November 2024 subject to effective maintenance of your management systems.

Your first surveillance visit following your re-audit is scheduled for a date TBA in June 2022. One surveillance visit (of two days per visit) has been set by the Review team for your company in the first year of continued registration.

Electronic versions of the Accreditation Marks and the Rules for their use are available by visiting www.isoqarinc.com and selecting the Customer Login tab.

As an ISOQAR Quality Assured Organisation, you will be entitled to apply the Accreditation Marks to letter-headings and publicity material relating to your registration. Due to recent misrepresentations regarding companies' certification please would you ensure that all publicity states that your own company's certificate number is displayed. This enables traceability.

Should you have any queries regarding this or the use of the **Accreditation Marks**, please do not hesitate to contact me.

Yours sincerely

Andrew Smith
